

MEN LEADING FAMILY WORSHIP AT HOME

By Robert Kelley

- 1. Pray in advance for guidance, a Scripture God might give to inspire your family worship and the power you need to lead.**
- 2. Gather your family for the time you and the Lord have set for worship. It can be anytime the whole family is able to assemble.**
- 3. Announce the family is assembled to worship God and should respect His holy presence with sincerity, quiet confession and repentance from sin.**
- 4. Lead your family in an opening prayer that includes asking God's forgiveness of sin through the shed blood of Jesus and welcoming the Holy Spirit's presence and power.**
- 5. Read and briefly explain the meaning of the Scripture God has given you if any. Otherwise, begin to thank God in prayer for whatever is on your heart or He has done for you beginning with saving you!**
- 6. Voice praise to God for who He is and His mighty works still in prayer (Revelation 19:1-7).**
- 7. Express your love for and devotion to God in worship. Add songs if you or a male family member know and will at least start them. However, though natural (Ephesians 5:18-21), singing is not required.**
- 8. After you have led out, your wife and other females that have their heads properly covered may pray (1 Corinthians 11:2-16; Ephesians 5:22-24).**
- 9. Pray closing out your family worship and asking God to bless each one.**
